Things You Need to Know

Widely used Payment System in China

- Alipay & WeChat Pay (No Chinese Bank Required)
- For daily cashless payment, we could use Alipay or WeChat Pay.
 Foreigners can now register and use Alipay and WeChat Pay without needing a Chinese bank account. Both support linking international Visa, MasterCard, JCB, Discover, and Diners Club cards after completing passport-based real-name verification.
- Credit card & cash payment can be used at bigger stores or upscale tourists attraction.
